MAKE A DIFFERENCE
Volunteers generously give their time and talents to support our mission, helping ensure that everyone who needs us — patients, their families and caregivers — receive our personalized care. Help your community by volunteering in:

- Patient and Family Support
- Organization and Community Support

Note: Hospice volunteers must be 18 years of age or older, with the exception of holiday gift wrapping.

OUR VOLUNTEER ROOTS
In 1975, community volunteers founded Hospice of Marin®, the second hospice in the United States. Now, the non-profit Hospice by the Bay® provides compassionate end-of-life care in the counties of Marin, San Francisco, San Mateo, Sonoma and the cities of American Canyon, Napa and Vallejo.

PATIENT CARE VOLUNTEERS
Work with patients and families in the field as part of our caring clinical team. You’ll be well-prepared by our training program and ongoing support. Patient Care volunteers:

- Offer companionship to our patients
- Provide needed relief for family caregivers
- Help patients with a hobby, letter writing or scrapbooks
- Provide transportation to appointments
- Run household errands
- Offer a vigil presence for dying patients

COMPLEMENTARY CARE VOLUNTEERS
As part of our clinical team, help nurture the physical and emotional well-being of our patients during visits to wherever they call home. Join us if you already have certification and training in:

- Energy work (Reiki, acupressure, Healing Touch™, Comfort Touch®)
- Animal-assisted social visits

MORE WAYS TO VOLUNTEER
Provide support to our programs that support patients, their families and the community. Volunteers work individually or as part of a team, in short-term or ongoing assignments. You’ll be trained to help with:

- General office support
- Thrift stores and used book sales
- Special event staffing
- Special projects, including our annual holiday gift wrapping, sewing for our children’s Comfort Bear Project and our Free By the Bay Camp for Grieving Children & Teens ages 7-17
